## ***Cabo Participants,***

We are just 19 days away from the first start of the 2010 Cabo Race!

Thank you all for getting me your crew lists and rating certificates! I know a lot of the certificates are running a bit behind so I just want to let those of you still waiting know IT'S OK! We know they're coming so just get them to me as soon as you can.

Just a few quick announcements/reminders today:

**Sailing Instructions and Class Breaks** have been posted to the website (if you haven't discovered them already!)

### **Cabo Marina**

I have some great news....Balboa Yacht Club and the Mexican Tourism Board have agreed to underwrite 25% of the marina fees down in Cabo!!! The marina had already given us 25% off (as seen in the prices listed on the website) but BYC has offered to pick up another 25% taking fees down to 50% off their normal price!! That discount will only take place for the week of the event. Don't forget, ***you still need to make your own reservations***. The marina has a list of all you boat names but they still need your information (aka, credit card numbers). All of the necessary forms and contact information are up on our website.

### **Customs Packet**

Remember that if you have chosen to use our customs guy, all of that paperwork is due back to BYC by this coming Saturday - March 13<sup>th</sup>.

### **Transponder Registration**

Please make sure you register for your transponder at the following link:

### **Send off party**

Balboa Yacht Club will be hosting a send off party immediately following the Skippers meeting (at 5:30PM) on Thursday, March 25<sup>th</sup>. We will have a tasty Mexican buffet, great deals on drinks and a great live band!! More details coming soon...

More info and reminders coming soon!
