

January 14, 2010

Hello Cabo Participants!

Here is the first of many emails to come from me with important information for our upcoming race. I'm just hitting this information briefly so feel free to contact me for more details. All of the following information will also be posted on our website: www.balboayachtclub.com under "Cabo 2010".

Hotel

Our host hotel for the race will again be the Tesoro Los Cabos. Regatta headquarters will be located in room #222 (right on the pool deck). We will also be having some Happy Hour get togethers here throughout the week.

Go to this link for reservations with the special regatta rates:

<https://gc.synxis.com/rez.aspx?Hotel=18721&Chain=5150&group=YACHT>

For more information on the hotel visit their website: <http://www.tesororesorts.com/wmspage.cfm?parm1=82>

Marina

Don't forget to make your reservations for a spot down in Cabo!

<http://www.igy-cabosanlucas.com/marina/>. Make sure you mention you are part of the race for a special rate and to make sure your slip is with the rest of the group. If you have any problems contact the Office Manager, Norma Flores:

normaf@cabomarina.com.mx

Customs

Information on Mexican Customs and Immigration Services is now available on the BYC website on the Cabo Race page. There is a lot of information to go over so please take a look at that as soon as you can. A lot of work was put into making this process as simple as possible – we have included instructions along with some sample forms to help you out. All of the appropriate paperwork will be due back to BYC by March 13th.

Gear Transport

Joe and Laura Neale will be helping out again with gear transport down to Cabo. They are planning on being here at BYC on Saturday, March 20th for pickup. Exact times and location to be determined. That information will be emailed out and posted on our website as well.

Safety at Sea

There is a Safety at Sea seminar on February 6th at Cal Maritime for those of you that still need to take care of that requirement. For more information go to www.ussailing.org or contact Cal Maritime directly at carms@csum.edu or 707-654-1257.

Communications

As stated in the Notice of Race, we will be using email as the primary means of check in each day. Satellite phones will be used as backup. More details regarding daily check in will be covered in the Sailing Instructions.

Looking forward to seeing you all in a couple months!!

Becky Lenhart
