

March 12th, 2010

Cabo Participants,

We are just **2 WEEKS AWAY** from the first start of the 2010 Cabo Race!!!!

Thank you to those of you that already have taken care of the following tasks! And if you're not sure if it's been done, feel free to give me a call.

Customs Packet

Remember that if you have chosen to use our customs guy, all of that paperwork is due back to BYC by **TOMORROW - Saturday - March 13th**.

Daily Check in – Email vs Sat. Phone

Most of you received an email about this already....if you have not responded please do so asap. We are looking to get a heads up as to if you plan on using email or sat. phone for the daily roll call. Please let us know which you are using and also provide us with your sat.phone numbers and email addresses (if you have one for during the race).

Cabo Marina

There are still a handful of you that haven't made your reservations. The marina has your boat name, as far as being part of the race and getting discounted fees, but still needs all of your other information to hold you a spot!

Transponder Registration

Please make sure you register for your transponder at the following link:

https://register.iboattrack.com/r/2010_corona_cabo

Gear Transport

If you have gear to be transported down to Cabo please contact the Neales ASAP. They will be here at BYC on Saturday, March 20th but you need to coordinate everything with them prior to that date. They have informed me they are working on a couple other drop off sites but you need to contact them to arrange that.

Joe & Laura Neale: 619-224-4495 or 619-306-0072; email – joeneale@cox.net

Regatta Check in/Skippers Meeting/Send off party

Remember each boat must send a representative to check in on either Wednesday, March 24th from 1-6PM or Thursday, March 25th from 12-5PM. Also remember that we have a MANDATORY Competitors meeting on Thursday, March 25th at 5:30PM. Each boat must send a representative to that meeting! That same night we will also be having our Send Off Party. See attached for more information.

Call or email if you have any comments, questions, concerns.

Looking forward to seeing you all soon!
