March 30<sup>th</sup>, April 20<sup>th</sup> and May 18<sup>th</sup>

You are invited to compete in the 59<sup>th</sup> running of the "66" Series organized by Balboa Yacht Club (BYC).

- The Balboa Yacht Club will act as the Organizing Authority (OA) for the 66 Series regatta.
- PHRF of Southern California is the Rating Authority (RA) for the regatta.
- The term Skipper as used herein is defined as the person, whether or not the owner of the boat, designated on the entry form as "Skipper" and who is the person in charge of the boat during the regatta. The Skipper is responsible for the boat, its handling and safety, the conduct of its crew before, during, and after each race, and compliance with the *Rules*.

## 1) RULES

This series of races will be governed by the 'rules' as defined in the Racing Rules of Sailing (RRS) 2017-2020, PHRF of Southern California Class Rules and the US Safety Equipment Requirements (US SER) for Nearshore racing as amended by this NOR.

- a) Alterations of the RRS
  - i) RRS 44.1 and 44.2 are modified so that only one turn, including one tack and one gybe, is required.
  - ii) RRS 51, Movable Ballast, and RRS 52 Manual Power are modified to allow the positioning of movable ballast by power on boats as designed and as rated by the RA. All movable ballast systems shall be capable of manual operation if powered systems are inoperable.
  - iii) With respect to RRS 41 – Outside Help, attention is drawn to USSA Question 93 from the US Sailing Appeals Committee. This interpretation clarifies the application of RRS 41 and governs competitor's actions during the race.
  - iv) RRS 55 is changed by adding the following sentence to the rule: 'However, discarding elastic or wool bands when setting a sail is permitted.'
  - v) If the jury concludes that a boat has broken rule 55 or 48.2, it may impose a penalty other than disqualification. In these cases, the discretionary penalty, if less than disqualification, will be represented by the scoring abbreviation "DPI" (Discretionary Penalty Imposed). The penalty imposed by the jury in such case constitutes the "other penalty" in the first sentence of rule 64.1.
  - vi) RRS 48.2 is changed by adding the following sentence to the rule: 'Boats shall monitor VHF channel 14 while they are transiting the VTS LA/LB Sector (25nm from Pt. Fermin to the federal breakwater encompassing the port of Los Angeles), and respond promptly when hailed.'
  - vii) US Sailing prescriptions to RRS 60, 63.2 and 63.4 are deleted.
- b) The Marine Industry Racer (MIR) rule of PHRF of Southern California shall not apply to this Series.

## 2) ELIGIBILITY
